

FRIENDS & FAMILY

Magenta Plains is thrilled to present *Friends & Family*, a group exhibition that includes over one hundred artists. Art of our time is a living, breathing organism that requires the passion and support of many in order to thrive, and which is only as vital as the community that nourishes it with ideas, creativity, and care. This exhibition celebrates many artists who have made up the very fabric of our existence. On the eve of our six-year anniversary at 94 Allen Street we also announce that the gallery will relocate to the corner of Bowery and Canal in early 2022. Thank you for the support, the friendship and above all else—the incredible art. Cheers to many more years to come!
